Re: Caisse, Bryan  
Case No. 15-1277-SMB  
Re: The People of the State of New York v  
Bryan Caisse-Indictment No. 4921/2013

To whom it may concern,

We have received notice of the Trustee's Final Report and Applications for Compensation. We wish to note as previously stated to the Court that there were prior restitution payments ordered by the Honorable Justice Ronald A. Zweibel under the matter of *The People of the State of New York v. Bryan Caisse* which our research indicates are not dischargeable in bankruptcy. As long as Justice Zweibel's Order stands and those payments are not discharged, we do not have objection to the Final Report.

Sincerely,

  
Wellington S. Tichenor
